

Tuesday Jan 15th

## MAP / Eagle Automotive of Chicago

### EFFECTIVE USE OF DIAGNOSTIC RESOURCES S-DS11-16.01SEM

This covers free and for-fee resources that technicians can access daily as needed in the diagnosis and repair of today's vehicles. Resources include manufacturer, aftermarket, government and Internet-based service information. Course content includes location of and access to both manufacturer service information and aftermarket service information. Additionally, content covers the viability and reliability of repair-related Internet sites and blogs and their place in the scheme of today's repair environment. Content also includes government-based, automotive-related websites as well as diagnostic procedures, service tips and special tools

Food provided at 5:30pm      Meeting starts at 6:00pm

**Location:** 5307 W 123rd Place Alsip, IL
